Cap and Cino

This month our friends help get Hawkes House ready to open again!

Cap and Cino are most unusual friends. You see Cap is a cat and Cino is a dog and that is certainly quite peculiar.

Cap and Cino had never experienced anything quite like it - in fact, no one they spoke to had either! The whole of the country had been closed down for the last few months and that meant Hawkes House had been VERY quiet indeed!

But now James and Simon were once again opening the doors to customers and the place was a hive of activity as everyone worked hard to clean and tidy everywhere. New menus were being written and printed (including this one!) and the rest of the staff were busy washing their House Family uniforms ready for the big reopening!

Simon asked Cap to help him renew the hanging baskets outside with bright summery flowers. Cap was very careful climbing the ladder with Simon holding it firmly and soon they were finished. James got Cino to help him put all the tables and chairs back into position and then give the cutlery an extra wash – that took ages as Hawkes have got 349 forks and 397 knives never mind the spoons!

James and Simon explained that it wasn't going to be 'business as usual' but they were really happy to be allowing their lovely customers back in once again after such a long time in lockdown!

Visit us again very soon for more fun stories with Cap and Cino...
